

READY FOR YOUR GO GAME ADVENTURE?

GET OUTSIDE AND COMPETE FOR POINTS, PRIDE AND GLORY!

That's Right, you're playing a high-tech scavenger hunt,
on steroids.

Imagine if the "Amazing Race", "America's Funniest Home Videos," and Cranium got together and had a party on your phone. The game consists of a series of missions that will have you hunting for and solving clues, challenging each other to "duels," staging awkward family photos and SO. MUCH. MORE. Because the team that PLAYS together, STAYS together.

ON YOUR MARK, GET SET, GO GAME!
