

HUNT AND GATHER

GET READY FOR SOME VIRTUAL SQUAD GOALS, where you're given prompts, and work together as a team to find props in your remote spaces and create fun video motifs.

WHAT CAN YOU EXPECT?

Hunt and Gather is a virtual scavenger hunt for remote employees that will challenge your legs, your eyes, and your creativity.

Each mini-game differently interprets the idea of a hunt. One moment you'll race around trying to grab a broom faster than anyone else, while another you'll be scouring images and videos on our platform to find Waldo.
